

RESERVATION POLICY

Please make reservations for infants ages 3 months to 15 months to ensure a spot is available. Parents are able to make a reservation up to 72 hours in advanced. KidZone staff have the discretion to increase the age for reservation for the interest of the child's safety. Reservations are made by calling VERDURE at 806.803.8088 or see staff at the Welcome Desk.

For the safety and comfort of the children, we have a ratio of one KidZone attendant for every ten children and one KidZone attendant for every four infants.
